

## **WEEK 2: Naaman**

### **INTRODUCTION**

At the heart of every great story is a cast of characters that lead us on a journey of adventure. On that journey, the greatest characters are the ones with the greatest flaws. We often see ourselves in these characters and this is certainly the case when we look at the Bible. Today, we look at the life of Naaman and see how his experience can help us to develop our own character.

### **DISCUSSION QUESTIONS**

1. After reflecting on Sunday's message, what has impacted you the most and why?
2. When thinking about leprosy in comparison to sin, what are ways you've noticed your struggle/sin affect your life not only spiritually, but also socially?
3. Read 2 Kings 5:11. Discuss and explain a "crockpot" or "microwave" moment you've had with God.
4. Read 2 Kings 5:14. What's holding you back from surrendering all ("dipping") to Jesus once again? Is it fear, shame, doubt, etc.?
5. What is one practical step you can take with God in order to move away from your struggle/sin?

### **MOVING FORWARD**

*A prayer: "Dear Jesus, I ask that you give me the courage to 'dip' into all of who you are once again. I desire for you to cleanse me. I give my struggle to you and choose to believe that you are faithful and always willing to heal me."*
